GEOLOGY CANDIDATE

ABOUT ME

I am a recent high school graduate with a deep passion for geology, focused on applying my knowledge in the energy sector, particularly within the petroleum industry. From a young age, I developed a significant connection with the earth and a growing interest in understanding its processes, leading me to choose geology as my academic path. My analytical skills, coupled with a strong problem-solving ability and insatiable curiosity, drive me to tackle the complex challenges this industry presents. I am determined to contribute to sustainable development in the petroleum sector, addressing environmental challenges with determination and enthusiasm. I am ready to bring my dedication and discipline to such a dynamic and crucial field as petroleum.
